#### TERMS AND CONDITIONS

All contractors who are required by state law or local ordinance to be licensed must register with the Town of Lakewood Village before applying for permits or performing any work. A master or contractor license in the specific trade is required to register as a contractor. Licensed Journeyman working for the contractor shall be listed on the contractor registration. All work shall be supervised by a licensed individual, and must be onsite of any job under their supervision. A licensed residential wireman may supervise one helper or apprentice. Any work discovered being performed without the required licensed personnel shall be conspicuously identified to prevent reuse and shall be removed. Multiple violations of licensure requirements may result in suspension of the contractors' registration, including the right to obtain permits to work in the town. Any individuals found performing work without the required license will be required to leave the jobsite. A contractor is defined as a General, Electrical, Plumbing, Mechanical, Irrigation, Backflow Tester, Pool, Sign, Concrete, Fencing or Roofing.
